HANDICAP ADJUSTMENTS

Adjustments must be requested by the owner and are only made based on visual inspection and/or physical measurement by an authorized PHRF-SS measurer. Fixed Prop credit is for 3-bladed or more fixed prop in aperture or on exposed strut. Asymmetric Credit is for aftermarket sprit pole where asymmetric spinnaker area does not exceed the area of a standard symmetric spinnaker. If Asymmetric Credit is given, a symmetrical spinnaker may not be flown at any event designated PHRF-SS. Codes appear in Section 8 - Handicap Adjustments of the PHRF-SS Rules & Bylaws.

Owner Signature: _____

My signature above attests to the fact that all the information contained on this certificate is true and correct to the best of my knowledge and that I have not made any modifications to the boat which have not been reported to PHRF-SS.

Certificate Issue/Print Date: December 28, 2017

Certificate Expires: March 31, 2018
